

### WHEN WAS the FIRST AIRPLANE MAIL SERVICE ESTABLISHED?

In 1918, between Washington, Philadelphia and New York, in the same year a milestone was reached in the history of Liberty Building—its forerunner, the Northern Liberty German-American Building Association No. 6 shortened its name to Northern Liberty Building Association. A progressive step in the life of a Savings Association that has served Washington so faithfully for so many years.

### Veteran Held Liable If Buyer Takes Over GI Loan and Defaults

By the Associated Press  
The Veterans' Administration said today that when a veteran sells a home on which there is a 4 per cent GI mortgage and lets the purchaser assume the loan, the veteran remains personally responsible for its payment.

The VA said all veterans should not sell property on which there are such loans without making certain their interests are protected.

Property Easier to Sell.  
Pointing out it is true that property can be more easily sold with the 4 per cent mortgage remaining in effect, and that this should influence the selling price, the VA, nevertheless, said the best thing a veteran can do is to sell for cash or have the purchaser arrange a loan of his own.

The holder of a GI mortgage can foreclose if a purchaser of a

### Jennie Lee Asks Britons to Quit Prying Into Queen's Private Life

By the Associated Press  
LONDON, Feb. 22.—Jennie Lee, wife of Laborite rebel Aneurin Bevan and herself a Labor member of Parliament, asked Britons today to quit prying into the private life of their new young Queen Elizabeth.

"The Queen mother, in a moving message, has told us the young

home from a veteran fails to keep up his payments, VA said, and if the proceeds from the foreclosure sale do not cover the amount of the loan still outstanding, the difference may remain as a debt against the veteran.

If the VA has to pay the mortgage owner anything on the guaranteed portion of the debt, the veteran will then owe the Government the amount of the payment, plus interest.

No Notice Required.  
The VA noted that in many areas of the Nation foreclosure may take place without direct notice to the original veteran borrower, even though he remains liable for the debt.

For that reason it urged veterans who sell their homes with the GI mortgage intact to keep both the holder of the mortgage and the VA advised of any change of address. Such veterans also should ask the mortgage holders for notification if the new owner defaults in payments, VA said.

Queen needs the love and protection of us all," Miss Lee wrote in the Weekly Tribune. She continued:

"One thing we can at once do is to insist that the Queen's private life be respected and she be given not only time enough but peace of mind to live her private life.

"And that applies also to the Queen's husband, sister and other members of the royal family, who have been gossiped about and vulgarized in a quite disgraceful fashion by sections of the British press.

"Neither highly spiced gossip paragraphs nor overdoes of sentimental sycophancy is in keeping with the dignity of British sovereignty."

But Mr. Bevan's wife had a Laborite word of warning for the new Queen, too. Under the present Conservative government, she said, "The palace will have to be constantly alert. Who, for example, advised the late King to accept the hospitality of Dr. Malan? What obtuseness or worse lies behind that piece of criminal folly?"

### French Captain Given 20 Years as Nazi Spy

By the Associated Press  
MARSEILLE, France, Feb. 22.—Capt. Edmond Chacun, 44, was sentenced to 20 years hard labor yesterday on charges of treason in the court he formerly presided over as a military judge.

He allegedly betrayed plans of his resistance group to the Germans during the occupation. He was later said to have been given a mission for the Nazi intelligence service in Syria, but he was arrested in Turkey and handed over to the British authorities.
